NH 9 RESURFACING WORK IN SULLIVAN-NELSON-STODDARD
4.5 MILES FROM CENTER ROAD TO GRANITE LAKE ROAD

The New Hampshire Department of Transportation announces work is expected to begin the week of July 17, 2006 on the rehabilitation of 4.5 miles of NH Route 9 in Sullivan, Nelson and Stoddard.

This project begins at Center Road in Sullivan and proceeds east to Granite Lake Road in Stoddard. It includes work on the NH Route 9 bridge over Granite Lake Road and Otter Brook and guardrail rehabilitation.

Two-way traffic will be maintained whenever possible. Lane closures and one-way alternating traffic will only be allowed during daytime hours. Lane shifts will be used at the NH Route 9 bridge over Granite Lake Road during the bridge deck repairs.

Changeable message signs and flaggers will be used to alert motorists and guide them through the work zones.

Pike Industries, of Belmont, New Hampshire is the general contractor for the \$2.3 million project, which has a final completion date of October 13, 2006.
